NAUGHTY TEENS HAVING IT OFF? WELL ALRIGHT THEN, IF YOU INSIST! WHY NOT DROP US A LINE IF YOU'RE A MUCKY TEENIE – OR IF YOU'VE JUST SCREWED ONE?!

DEAR TEENS UNTAMED,

My name is Karen and I'm a sex-mad 18 year old girl with long blonde hair and a petite and slim, sexy figure. Ever since I first had sex last year I can't get enough of it, and I take every opportunity to get what I can!

The other day after some stormy weather, I noticed my next-door neighbour, John, doing his best to tidy up the front garden. Although John must be nearly 40 he is still pretty fit and good looking for his age. Plus I knew from the way I'd caught him giving me the eye whenever we met that he fancied me. I'd often wondered if he'd ever wanked off thinking about me.

Bored stiff at being stuck in the house on my own, I opened the front door and went out to the porch. "Nice work John, you're a star!" I called, smiling. I caught his eye and he quickly made his way over to me. I was wearing a skimpy white vest top and a navy blue miniskirt that did nothing to conceal my smooth bare legs and thighs.

As we chatted I could clearly see his cock getting harder and bigger through his jogging trousers. Having always dreamt of having sex with an older man, I knew this was the perfect opportunity – it would be a good three hours until my parents got home, and John lived on his own.

"John," I smiled saucily, "Why not come upstairs and let me play with your cock? I'd love to suck it," I added as I reached out and started stroking is hard-on through his tented trousers. Of course he didn't offer up any resistance. In stunned silence he followed me upstairs to my bedroom.

I quickly lifted off his shirt and as I ran my hands down his muscular body I sank to my knees and pulled down his trousers and pants letting his hard throbbing cock spring free. I drooled at the sight of this grown man's big hard cock and, like most young girl when confronted with a big one I toyed with it for a little while. John gasped in pleasure as I wanked his throbbing erection. I swirled my tongue around the purple head of his veiny shaft and licked up and down his length while I sucked and stroked and squeezed his spunk-laden balls.

Opening my mouth I slid my lips over his big cock and started to suck him off. As I eagerly gobbled his meat, I tugged the root of his shaft whilst John held the back of my head and ran his fingers through my long blonde hair.

"I'm going to come, sweetie!" he yelled after a minute or so. A second later he groaned as his cock exploded and pumped a full load of hot creamy come down my throat.

As I pulled his cock from my lips, I squealed as his sticky white spunk gushed onto my face. After licking his cock clean I stood up and took off my top to revel my firm little breasts. "Keep your skirt on Karen, but take your panties off, if you're wearing any," he instructed.

"Mmm kinky!" I giggled, slightly surprised that he didn't want me completely naked.

I did as he asked, pushing my hands under my navy blue miniskirt and rolling my damp white cotton panties down and off. As I lay back on my bed John quickly joined me. My whole body tingled in pleasure as he cupped my tits with his hands and licked and sucked my erect pink nipples. Feeling his way down my body, John rolled my tiny skirt up around my waist and pushed his face between my thighs. He opened up my shaven hot, wet cunt with his fingers and poked his tongue inside my juicy slit and started to lap at my clit.

As he expertly licked me out I couldn't help screaming and writhing in ecstasy as he made me come several times. Before long I was gagging to get his

DEAR TEENS UNTAMED,

In all my time buying top shelf magazines, I don't think I've ever come across (literally, that is) a girl with a more suitable name than Angelica, who appears in your most recent issue (1.6). I love that picture of her bum on the top of page 48, awhile the close up of her gorgeous pink pussy on page 51 has drained me of more spunk than any single I've ever seen before. This girl is truly stunning, and the fact that she's happy to let us see every little details of her stunning young body is something we should all be eternally grateful for! Just one question, though – what's going on with the nails on both of her ring fingers?!

Ray, Braintree.

DEAR TEENS UNTAMED,

Is it my imagination, or does Ginnie from Volume 1 Issue 6 look like she might just be a bit posh? I certainly hope so – the thought of a well-brought up girl showing off her shaven pussy for all the world to see has kept me in a state of perpetual horn for the last month! I'd love to know what her Daddy thinks about the whole thing!

Martin, Kingston.

We couldn't say whether she's genuinely posh or not – but she was well spoken, and we seem to recall her mentioning that she'd had a pony when she was younger...

cock in my fanny. I could wait no longer to feel his shaft filling and stretching my tight little hole to the maximum.

"Fuck me John!" I begged.

He told me to get on all fours and as I pushed my arse into the air and opened my legs he got in behind me and powerfully drove his cock all the way up my slippery pink pussy, making me shudder in sheer delight. He pumped me harder and faster with each thrust. Telling him I was on the pill seemed to spur him on even more, giving my teenage pussy a shafting I'll never forget. He reached between my thighs and massaged my clit as his cock pumped in and out of my cunt. Minutes later I was screaming in pleasure as I came all over his shaft and then John's cock erupted deep inside my soaking wet pussy, filling my tight twat with a massive load of boiling hot jism.

As he pulled out of my hole even more sticky white spunk splattered over my bum cheeks and soaked into my navy blue miniskirt. Wiping the tip of his sticky cock on my skirt and smearing it with the remains of his jizz, we collapsed onto my bed.

We're now regular fuck buddies, shagging in each other's beds as often as we can. On the odd occasion John takes me out to a restaurant or to the cinema, it can be quite amusing – especially when we're taken for father and daughter.

Karen, Glasgow.

Another issue of *Teens Untamed*, and we kick things off with another hot teenie fingering her flange by the poolside! let's face it, there no need to mess with a perfect formula, is there – especially when the teenie in question's as pleasing on the eye as Tara here. She seemed a bit brazen about sharing her most intimate parts with us, so we had to ask her if she'd already done much modelling of this sort…

"Oh, I haven't done much professionally, but my boyfriend definitely likes taking naughty pictures of me, so I've had a fair bit of practice, I guess!"

Hmm, so how did you guys get started with the dirty pictures, then?

"Ha – one day when he was licking me out he said something like, 'I could stare at your pussy all day!' and I thought that was pretty cool, so as a special treat for him I took a few pictures of it and gave them to him as a little present. It kind of grew out of that, really."

IT TAKES A SPECIAL SORT OF PORNO FLAMPER TO TAKE ON THREE HARD COCKS AND COME AWAY SMILING – BUT THEN ALESKA DIAMOND'S CLEARLY A PRETTY SPECIAL PORNO FLAMPER, AS TEENS UNTAMED FOUND OUT...

SEX ATHLETICS ON-SET
Starring: Aleska Diamond and three very lucky studs!
Directed By: Gazzman
Available From: A sex shop near you!

Brrr, it was pretty dark and chilly when I set off at 4:30am for this distant shoot. Then again, I couldn't complain too much, as I'd already been told that the star of today's shoot is Hungarian hottie, Aleska Diamond. This news in itself was enough to make me agree to the assignment, but the fact that she had been booked to tackle three studs at once made me feel a bit giddy – I'd never seen a foursome in the flesh before. So, although the three-and-a-half-hour journey was a bit of a ball-ache, I wasn't about to look a gift horse in the mouth!

After taking one or two wrong turns, I eventually found the location; a stunning stately home set in acres of perfectly manicured gardens, complete with tennis courts and a long, winding drive. Pulling up outside, it looked like something out of Brideshead Revisited. That bubble was soon burst, however, when Scottish Harmony director Gazzman appeared at the huge front door with a big grin on his face. Having met Gazz on a couple of occasions, it was nice to see a friendly face.

After a quick cuppa and catch-up, Gazz left me in the capable hands of the runner, in the vast kitchen-cum-make up room. A bit of small talk later, we were interrupted by the appearance of a young-looking blonde, dressed in a robe, her hair pulled back into a tight ponytail. Even in this state, she was still unmistakable as the star of today's shoot, Aleska Diamond herself.

She smiled and smiled a 'hello' as I introduced myself, shaking my hand quickly before heading straight to the makeshift hair and make up area. I felt a lump in my throat as I briefly studied her; even without a scrape of war-paint, she still looked flawless. I most definitely would.

After half an hour or so the runner came in to let us know that the lights had been set up and they were ready to begin. I did my usual trick of getting a seat at the back of the room which not only gave me a great view of the set itself, but also Gazzman's monitor, allowing me to watch was being captured on film – close-ups and all!

The three studs hired for today's scene were already waiting in the very posh-looking living room, chilling out on the cream sofas in their schoolteacher outfits. Having already

"Shit, who's nicked my bloody phone?!"

matter of minutes, three of the eight guys in the room salivating over sexy Aleska (including myself and the crew), would be nuts deep inside her. Lucky bastards.

After filming the intro scene – which involved the guys moaning about how a fourth tutor has shagged all the best babes – Aleska made her entrance, sucking on a cigarette in the most alluring way I've ever seen. My dick obviously agreed, twitching in my pants for the first time today.

I was relieved that the script had been kept to a minimum, and that within two minutes Aleska was surrounded by the guys all pulling at her clothes, while licking and kissing various parts of her body. Peter didn't waste anytime, dropping to his knees and eating her arse, before spinning her around to get a taste of her pussy too, slipping a couple of fingers in for good measure. Oh Tool continued to live up to his name, being the first to whip his cock out for the now topless (and knickerless) Aleska to suck on. With the others quickly following suit, she surely must have given every man in the room a lob-on by giving all three studs blowies simultaneously; gagging, wanking and mouth-fucking away at them like her life depended on it. Just as I was thinking that they must be close to plastering her pretty face with goo, Gazzman yelled, "Cut!", making us all jump a little.

After explaining that he'd like Aleska to move onto all fours now and positioning the studs at their 'ends', Gazz disappeared back behind his monitor and instructed the talent to continue. They didn't need telling twice. Although George started by plunging his dick into Aleska's glistening pussy, making her squirm and groan as he screwed away, it didn't take long before Peter took over, leaving George to join Kai in getting his prick sucked. I didn't feel too bad for him, though, watching the close-up on the monitor of his member being swallowed by Aleska's perfect blow-job lips made my dick ache for the same treatment. Some hopes!

"George started by plunging his dick into Aleska's glistening pussy..."

met Peter Oh Tool a few times before, I greeted him before introducing myself to the others; I recognised Czech super-stud George Uhl instantly, and was surprised at how cool he and new boy Kai seemed to be about the whole thing. I know between them they've shagged some of the hottest women on the planet, but I'd still be gagging if I knew I was about to screw someone as cute as Aleska – she's been the subject of more then one of my wet dreams!

As we were chatting, Aleska appeared in the room and instantly the guys' attention – and mine – was solely on her. Now fully made-up and dressed in schoolgirl garb; pleated mini-skirt, tight, white shirt with a tie and little cardigan and all topped off with a pair of thigh-high black socks, which accentuated her long, shapely legs, she looked fucking hot and she obviously knew it. I couldn't help but feel envious; in a

Obviously George wasn't quite so happy with this arrangement, because after a while of having to share Aleska's mouth with another bloke, he sat back on the sofa and told her to fuck him reverse cowgirl, which she did, leaving me questioning why being that forward never worked for me.

As Aleska rode his prick, squealing as she did, all there was for the other two to do was stand and watch. Welcome to my world, I thought! Well, at least they could have a wank and play with Aleska's boobs; pinching her perky nipples to attention under their touch, as she was fucked hard from underneath.

This didn't last too long, though, before Kai decided he wanted a go. Not one to give up that easily, I was amazed (and oh, so glad of my view) how easily George, being the pro that he is, seamlessly slipped out of

Aleska's juicy cunt and pushed inside her pink, puckered arsehole, making her scream with pleasure, before Kai manoeuvred his cock inside her sopping pussy and began screwing her slowly. Aleska was obviously enjoying being DP'd – she got noisier with each thrust, until Peter shoved his tool in her mouth, muffling her cries.

This went on for a while, with both Kai and George both fucking away at Aleska's holes, filling her to the absolute brim, but it wasn't until Pete and Kai swapped places that things really got going. Pete went for it the moment he pushed his prick inside her gaping twat – pulling her legs back and leaning onto her, his arse pumping away as he humped her as hard as he could, her moans coming out in gasps as she found Kai's dick thrusting into her mouth.

Someone in the foursome – I suspect one of the men – then decided that they wanted a change of position, so after flipping Aleska over (and, starting with George in her arse, Kai in her fanny and Peter in her mouth), they all took it in turns to hammer away at each of her orifices simultaneously. Aleska, meanwhile, was loving every minute of it, squirming around and egging them on to fuck her harder as she wanked away furiously at the prick presented to her in her hand. The noises omitting from her suggested that she climaxed at one point, but as none of the guys so much as paused for a second, I can't be too sure!

I had the best view of both ends from my seat and I must admit to nearly coming in my pants when one of the studs (I forget which one) fucking Aleska's arse pulled out, leaving her hole gaping perfectly – and my mouth hanging open. Unfortunately, it got filled back up again pretty quickly (her arse, that is), eventually ruining my fantasy and snapping me back into reality.

Despite having been cock-juggling for nearly a couple of hours now, I admired the way Aleska still seemed so genuinely hungry to have dick at both ends; continually daring them to go at it harder, while gobbling down anything near her face like she'd been cock-starved for years. This didn't go unnoticed by the studs, either, who took advantage by swapping places so often that, if you couldn't see who was where, you wouldn't have remembered whose appendage was whose!

At last Aleska started to look slightly fucked (pardon the pun), and, when asked, the lads all confessed that they could blow their load at any given moment, so Gazzman said they should go for the 'pop-shot' now. Aleska draped herself back onto the arm of the sofa, and as soon as Gazz yelled, "Action", Pete and Kai, who were stood beside her, began to wank furiously away until they exploded all over Aleska's tits and mouth. George cheekily slipped back inside her open pussy and hammered away for another minute or so, before finally pulling himself out and smearing his cream over her small triangle of pubic hair with his cock.

I still find it strange but it seems to happen on every porn shoot I've been to; fifteen minutes after filming wrapped, everyone was sitting around in the kitchen with a cuppa (or a Diet Coke, in Aleska's case), chatting away like nothing at all had been going on. But as one of the cameramen remarked to me, "It's just a job, innit?" Yeah, quite. But what a job!

"Aleska was loving every minute of it, egging them on to fuck her harder..."

Another hard day at the orifice...

Debbie here looks rather elegant for a young 'un, doesn't she? She's obviously a bit of a glamour puss, but at least she's not too stuck up to get her kit off and give us an eyeful of her delicious teenie body!

"Yes, I guess I like to make an effort with my appearance," she smiled when we complemented her on her get-up. "Just because I'm only 18, it doesn't mean I have to walk about in a hoodie with horrible pink trackie bottoms on, does it?"

We guess not. Perhaps the fact that she's studying design gives us a clue that she likes things to look their best – including herself. So what sort of thing is she interested in designing?

"Oh, all sorts. Lamps, office equipment, furniture. I think chairs should be both functional and comfortable, for example."

Well, if you want to make yourself comfortable sitting on something functional, we're sure we could come up with a satisfactory solution…

SCREEN TEENS!

Our serial tugger O-Real rounds up the best of recent teen-themed releases. He won't give us the DVD's back though, oh no...

Amateur Angels 23

(Adam & Eve)

Amateur? Oh, I don't know about that. Something tells me a few greenback may well have changed hands during the production of this little effort, although I'm not the sort to cut up rough about that sort of thing – especially if the shamateurs involved are as cute as the girls on display here! Madelyn Monroe's first up – she's 18 and up for a cocking. She certainly sucks a mean dick too, and I for one had to admire her cocksman for holding out nearly 30 minutes before he drizzled her belly with his nutbutter. Lots of real cuties follow, with Cassandra Nix standing out for me, although the sound of a fat prick sawing into Venus's welcoming snatch takes a lot of beating, too!

Cream On The Inside

(Adam & Eve)

The government keeps on telling us that too many pies will turn us all into bloaters, but it looks like creampies are in the clear, if the lithe figures of the young cuties in this four hour fuckathon are anything to go by! That's right, four whole hours of dirty little flampers getting pumped full of man meat followed by man fat – reckon you could handle that? There are 11 scenes in total, taken from A&E's creampie-themed back catalogue, so if you're a real completist you may have seen some of these before, but they were all new to me, and they got the blood (and fist) pumping in double quick time. Coverbabe Dakoda's scene sticks long in the memory – especially the bit where she lets her stud's muck dribble back out of her twat onto his johnson before licking it all off. Pure filth!

Dirty Teens

(Adult Channel Unut)

Dirty Teens? Just about says it all, that does! We kick off with office worker Jay copping an eyeful of saucy young Jasmine as she does some photocopying (to the rather anachronistic sound of a typewriter bashing away) before we cut to his fantasy; he's bound and Jasmine is all over him like a rash. The lighting's a wee bit moody, but you get the point as he rams her in all sorts of positions before spuffing over her comely chops. The next scene, in which Paradise Summers take a double dicking, featured rather too much scrota for my taste, while the next features Cate Harrington taking a wazz half way through, the dirty scrubber! And there's plenty more filth to come, too...

Flat And Fucked 5

(Score Group/18)

Continuing its foray away from it's more traditional big-titter themes, Score Group have cranked out another title featuring the young and the breastless. There's no plot or anything – it's another straight up and down gonzo effort, which cuts to the chase with nothing in the way of a preamble. Moretta's panties already look pretty damp by the time her fella peels them off and sets about slurping at her shaven fanny, and the horn's obviously got to her because she offers up her backdoor to him before they're done. Scene two's Kyleigh's still in braces, but doesn't let that stop her taking a creampie from a big-pronged pal. Tastiest of the lot is probably Alyssa Branch in the final coupling, who again ends up with a pussy pumped full of jizz.

Innocent Until Proven Dirty

(Adam & Eve)

Hmm, it looks like Adam & Eve are quite the go-to company if you're after flicks featuring eye-pleasing teenies taking a porking, with this being their third offering this issue worthy of review. It's a compilation, but that's OK by me, cos it means I get 4 hours of sucking, fucking cuties for my money (not that I paid any, you understand – this is my job, alright?!). Having watched it a couple of times, I can honestly say there isn't a single girl in here that I wouldn't undergo root canal surgery for the chance to fuck, although my total fave's probably the final girl Nicole Rey. 11 scenes, 12 girls (there's one lesbo coupling) and a whole lot of harry make this a worthy addition to any teenie DVD collection. No anal, but hey – you can't have everything!

Sweet Young Things 5

(Adam & Eve)

Sweet young things – that really is what it's all about, isn't it? When you've got cuties aplenty, you don't really need any other frills, and this series clearly likes to stick to the basics, with each girl giving us a bit of a tease before being joined by a cocksman for the action proper. Blonde Rylie's first up, peeling off her togs on a sofa with a giant lollipop ion the wall above it. She may look like butter wouldn't melt, but once her stud pitches up she doesn't mess about. Dirty talk's thin on the ground, but by the time he'd dropped his goo on her chops, it's be hard to quibble. Thereafter the formula remains while the cast changes – no anal, and a lot of the same moves. Still, Jeannie Marie's definitely one to watch.

Young Harlots: Sex Athletics

(Harmony)

The Young Harlots series has cranked out cracking filth over the last few years – a bit of wit, plenty of cuties in, ahem, 'college' uniforms, and loads of no holes barred fucking. This one kicks of in fine style again, with innocent looking Misha getting pronged into the middle of next week by her PE teacher. No anal, but some good angles nonetheless, and a cracking pop to end as he drizzles all over her smoo. There's more great camerawork as Avril Sun's reamed in the next (another good pop here, too – it's nice to see something other than facials all the time). Then Megan Coxxx gets in on the action before the real stand out scene, with Aleska Diamond claiming the triathlon title in fine style (see page 12). Top notch stuff.

Teenage German Sluts

(Private)

Ah, there's something unmistakable about German grot, isn't there – even when it's got the Private veneer to make it a bit more respectable! The first sene, in fact, starts off rather tastefully, which isn't what I was expecting at all, with a couple of cuties by the name of Silvia and Ruby sharing a cock while a mysterious third girl films. Things soon get a bit more frantic, though, and by the time the stud's spuffed heroically all over a silver tray for the girls, I for one was convinced. The rest of the flick's a bit of a mixed bag, with a couple of the scenes looking decidedly vintage. Still, it was nice to see the ever-horny Taylor Rain taking a bumming in the third scene, although I wouldn't exactly call her a German…

We don't let just any old thing come between us and a good frame or three of pool, but then Scarlett here's hardly any old thing, is she? So when she started leaning over that table and showing off her firm round bumcheeks we quickly realised that we weren't going to be getting much pool action in! It's all very well knocking a few balls around the table, but when you've got such a hot young thing doing everything in her power to distract you, then there's really no point trying to carry on.

As it turned out, Scarlett's not a complete stranger to a bit of pool table hustling…

"Oh yes, I'm quite handy at pool, and whenever I come up against someone who's better than me, I can usually swing the odds round in my favour with a few under hand tricks!"

Like what?

"Well, there was the time I accidentally let one of my boobs slip out just as he was going for the black. He got nowhere near the pot with that one!"

Frankly that sounds like cheating to us, but we're pretty sure nobody complained!

If music be the food of love, play on! That's what Shakespeare had to say about the topic of music, and while listening to these two strumming and bashing away on their guitar and drums combo was diverting enough for a while, quite frankly asking them to play on was the last thing on our minds! After all, we all knew what we were there for, and the prospect of seeing two such tasty young tartlets getting down and dirty with each other was a lot more appealing than listing to their rather ham-fisted attempts at a Green Day cover.

Luckily, while their musical attempts might generously have been described as charmingly amateurish, they really seemed to know exactly what they were doing when they set about each other's pussies! We couldn't help thinking that these girls both had a genuine taste for snatch, because once they'd buried their tongues deep into just about every orifice they could find it proved to be rather hard to prise them apart again.

Not as hard as our knobs as we watched them get stuck in, though…

GABBY WANTED HER FIRST TIME TO BE SOMETHING SPECIAL – AND THANKS TO HER BIG-COCKED FELLA IT SOUNDS LIKE SHE GOT WHAT SHE WAS AFTER!

I hope you don't mind one of your female readers writing to you, but I wanted to share my sexy story with you. My name's Gabby and I'm nearly 20, so it may surprise you that I only lost my virginity this year. I guess I could have lost it before, but I decided I wanted to be picky. Not because I'm a romantic, I just wanted to be sure it was with a man who knew what he was doing. It didn't have to be 'special' like some girls I've spoken to; I just wanted a good fucking experience – literally!

My chosen one ended up a bloke called Carl, who I met while watching this charity cricket match in the summer. I fancied him like mad physically, and when we spoke we got on instantly. I was totally honest with him about being a virgin, and he was cool about it – not at all fazed (or creepy) by the thought of popping my cherry!

He promised not to rush me, and in fact it was the opposite! We went out a few times and I got a bit horny after a few drinks, but not very much happened. He always walked me home; one time he kissed me goodnight at my door, and the next, when he came in, it was just for a coffee. Well, we had a bit of a snog on the couch, me guiding his hand up to my boobs, but when I fondled his crotch, he immediately jumped up, saying that he'd better get going.

It wasn't that I didn't turn him on – the hard-on I touched told me that. And he obviously wasn't teasing me to make me give it up quicker. When I finally mentioned it to him, he said to let him know when I was actually ready and we'd make a night of it. Well, that gave me something to think about, and as I fingered my sticky pussy that night, I imagined that he, too, was having a wank at home while thinking of me.

The Saturday after that, Carl came to pick me up for a night out, but when he arrived at my place I suggested that we stay in instead. I'd got a couple of bottles of nice wine in and had made the living room cosy with candles and soft music. I'd held off having a drink until Carl arrived so he wouldn't think it was the drink talking, but I knew tonight was the night. I poured a drink each and pretty soon we were snogging on the couch.

I'd made sure that all my clothes would come off easily, and soon he unbuttoned my silk blouse, exposing my tits in a flimsy black bra – I didn't want him to be turned off by my undies! He sucked on them through the material, then got them out so he could take my nipples in his mouth.

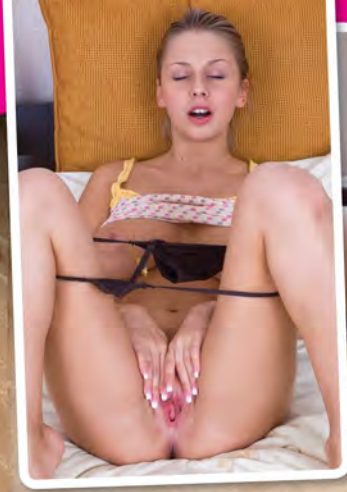
As I lost myself in the sensation, I felt his hand moving down in little tickly circles over my belly. I let out a little moan as he kissed me again, and I felt his fingertips creep inside the elastic of my knickers in search of my (recently removed) pubes. I moaned again, louder this time, as they slipped in even further, inching their way down to cup my outer labia, squashing my lips together around my clit. I noticed him gasp, too, when he realised that he had a completely shaven pussy at his disposal. It felt so good that I suddenly wanted his fingers inside me.

"Oh, yesss!" I groaned as I felt his finger brushing my clit. I squirmed against him, and he started rubbing harder, probing and exploring my slit until he found my opening. I'd fingered myself before, but it felt so different having someone else doing it – and Carl obviously knew exactly what he was doing. As he slid another finger in my juicy twat, he flattened his palm against my slit, pressing and rocking it against me.

After a while of this, he kissed me gently and whispered, "Just tell me when you're ready."

By now, horniness had completely overtaken my nerves and I told him that I wanted him inside me, and now!

"Patience…" he said and just kept on fingering me. Suddenly, I felt my pussy muscles begin to clench, my clit tingle and a warm sensation spread from my fanny throughout my body. I thrashed about on his fingers as he continued to pump them in



and out of me, groaning and yelping as I did.

When it finally passed, I was a little embarrassed. I had come previously from playing with myself, but it had never before been that powerful.

Now Carl stripped off – he was already rock hard. He had a gorgeous big dick. I'd seen cocks in films and photos, but never in the flesh, and it was so big I wondered how I was going to take it inside me. I played with it with both hands, but Carl seemed to have something else in mind, and I got the feeling it wouldn't be long until I lost my virginity!

He got in between my thighs and, no matter how many men I fuck during my life, I'll always remember how good it felt when that first prick penetrated me. Carl took his time opening up my tight channel and easing himself in, pausing when he needed to, but never pulling back. When I felt it touch the top of my pussy, he stopped and just stayed inside me.

We kissed and as I stroked my hands over his body, we started to move together. As he began to thrust he told me to angle myself so I could take him deeper.

Now he knelt up, putting my feet up on his shoulders. "I want you to come your first time," he said, and started to rub my clit. It felt even more incredible than before, with his thick cock stuffing my hole and his thumb twanging against my stretched clit. It hardly took any time at all before I was climaxing.

"Oh God!" was all I could gasp, making him grin broadly. I got the feeling it was now his turn for some fun. He started humping away at me, although I think he was holding back a bit because it took him a while to come. All of a sudden, though, he started to get really hot and sweaty, before his entire body went rigid and, as his cock throbbed inside me, I felt him thrust hard and spray his hot, wet cream inside me.

I may have been a late starter, but I'm learning fast. Carl taught me how to suck his dick later that night, and I'm thinking of going for the treble pretty soon; letting him shag me up the arse. I'm sort of nervous about that too, but the thought of his big prick slowly cramming and stretching my arsehole to the limits is just too sexy to resist…

"Carl took his time opening up my tight channel and easing himself in…"

Let's be honest – we've all had thoughts about what it would be like to be a tasty young thing in the shower, haven't we? Speaking personally, I don't know if I'd ever be able to actually get out of the thing. I mean I'm sure I'd get tired of playing with myself eventually, but it'd still be better than anything I could ever actually do outside the shower, wouldn't it?

And guess what – Charlotte turned out to be living proof that my instincts were spot on – because she confessed that there was nothing she liked more than spending some quality time alone in the shower, where she can play with her pussy and pert little tits to her heart's content!

"I love showers!" she grinned, rather cheekily, when we asked her if she was enjoying herself. Apart from a thick cock, there's no feeling I like more in my pussy than some hot water tingling up there from a shower head – it always makes me come in no time at all!"

And just to prove the point, she went and brought herself there and then, the cheeky little minx!

Gina might be relatively new to the whole 'having sex' thing, but that doesn't mean she's too nervy about the whole thing – it sounds to us like she's been filling her boots ever since she sucked her first cock last year…

"I've been having the best year of my life so far!" she gushed when we asked her how things were going. "Of course I'd played with myself a fair bit, but last year I had my first proper sample of cock, and ever since then I can hardly think about anything else!"

Really? So what was this first dick like – and how did you deal with it?

"I'd been on a couple of dates with a guy from college, and one night I got a little bit tipsy and just blurted out, 'I really want to suck your dick!' Well, he wasn't going to object, was he, and I sucked him off right there and then, as we were walking through the park. About an hour later I had my first proper fuck as well, and that was even better! I'm going to try anal soon…"

Well we envy the guy you try that out on!

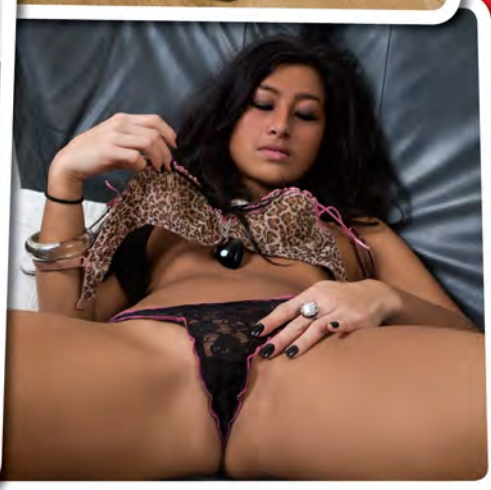
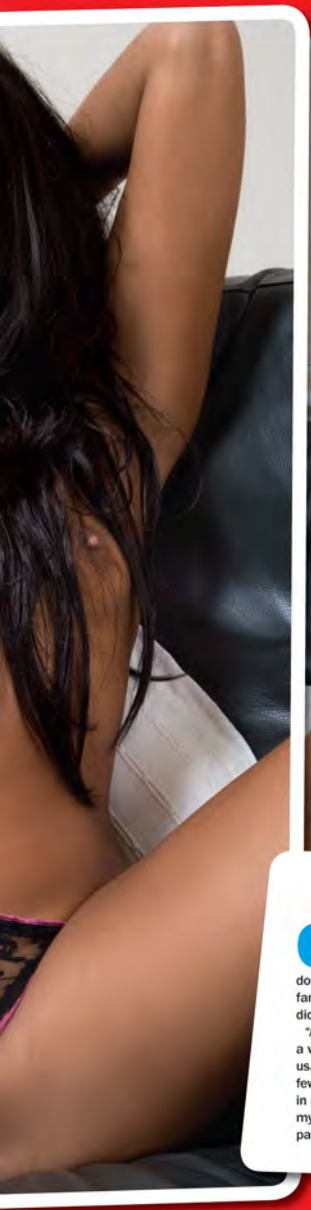
COLLEGE

NAME: Surina
AGE: 19
STUDYING: Medicine

♣ STUDENT ♣





Ok, we'll admit it – Surina's not actually her real name. Apparently this dusky babe's doing this modelling lark behind her family's back, and would prefer it if they didn't find out what she's been up to…

"As far as my parents are concerned, I'm a very well behaved girl," she confessed to us. "They don't even know that I've had a few boyfriends – and they'd never dream in a million years that I might be showing my pussy to the whole world via the pages of *Teens Untamed*!"

Well, their loss is our gain, that's for sure, but how long have you managed to pull the wool down over your folks' eyes?

"Oh, ever since I can remember! It's very easy, really – as long as I'm polite at home, it doesn't seem to have occurred to them that I can get a lot ruder when I'm out! Still, you're only young once, and if I can't have a bit of fun now, when can I?"

Very wise words there – a philosophy we can only hope all nubile young girls ascribe to as well. Come on – if Surina can do it, you all can!

so I suspected she'd organised a surprise party for me.

I turned up expecting to see all my friend jump out on me but instead there were just four guys. They were rugby players from the college team and they were all pretty cute.

Jenni handed me a little box and I unwrapped it to find it contained knee-pads.

"Why don't you try them on, they're all yours?" she said, heading for the door. When I asked her what she meant, the guys suddenly stood and unbuttoned their jeans. Before I could ask anything else Jenni had gone and one of the guys told me they'd been promised blow-jobs if they agreed to have them together. They waxed their cocks hard as they spoke to me and after the initial surprise had worn off I was overcome with want.

"If that's what she promised, then that's what you'll get," I told them, slipping on the knee-pads and dropping down in between them. The guys crowded around me in a semi-circle as I took turns stroking and yanking on their lovely hot knobs. I pressed each to my face and gave their shafts a lick, sampling their deliciously salty tastes, then I took the first into my mouth and started to suck.

I drew on it hard, cramming as much as I could into my mouth and gulping down my own saliva as I rubbed and stroked all around his shaft. He held my head and swayed backwards and forwards, driving his meat into my mouth again and again so that I was able to let go of his shaft and grab hold of two more cocks. I wanked these into my face as the guy in front fucked me in the mouth and I was totally lost to lust.

The forth guy peeled off my clothes as I worked his mates' cocks until I was totally bare-arsed naked in front of the guys save for my knee pads.

He knelt down behind me and pressed his cock against my bum, so I arched my back, opened my legs to give him access to my pussy and I felt him slip inside me.

I sucked harder on the first guy's prick and he fed it into my mouth until his balls slapped against my chin, then I felt his explode all over the back of my throat. Glob after glob of thick semen streaked across my tongue and I drank it down just as fast as I could. When he was done he moved aside and let the others in, and I took turns sucking each of them off, alternating their cocks in my mouth as I pulled on them harder and harder. It was such a heady feeling sucking on two pricks while I was fucked from behind and knew I would come any second.

As I fucked and sucked this trio of hard-ons I hungered to swallow all of their spunk to compare their flavours. This had been one of my all-time favourite fantasies (although in my fantasies I drank an entire team's jizz) and I couldn't believe I was doing it for real.

Suddenly the guy on my left spurted in my mouth and I milked his twitching cock for every last drop as I greedily gulped it down.

"Oh fuck," the guy on my right suddenly gasped as I yanked on his cock and I just managed to turn and catch his sperm in my mouth as he blew his load. He gave me a lovely generous drink and I swallowed the lot, sucking the dregs from his shrinking cock as my own orgasm swept over me.

I turned around and pushed the last guy onto his back and rode on top of him until he too started jerking against my warm innards. A great hot jet blasted inside my pussy and splashed all over me as I climbed off him and pulled his cock into my mouth in my attempt to drink the come of guy number four. He spilt the last of it onto my tongue and I swallowed it down. The whole room smelt of sex and I was giddy with sleazy satisfaction.

That was the best gift I've ever received, but now it's coming up to Jenni's birthday and I'm determined to get her something as good. Any ideas?

Leanne, Bolton.

DEAR TEENS UNTAMED,

I love to suck cock – it's my absolute favourite thing of all time. Whenever I go with a guy I always insist he blows his load in my mouth, no matter how we've just fucked. I'm quite open about my enthusiasm for oral, all my friends – boys and girls – are well aware of it (quite often the guys will knock on my door late at night, just because they know they're guaranteed a blow-job) and this led to the birthday treat of my life.

I'd just turned 19 years old and was planning a night out with all my friends when Jenni called and invited me over to pick-up my birthday present. I told her to bring it out with her tonight but she insisted I had to come over to her place now,

DEAR TEENS UNTAMED,

I loved the pictures of Emily squirting cream all over her firm young body in your last issue – but do you think she'd prefer it if she had a guy squirting his cream all over her? I think I would – especially if the guy was me! Please pass on my address to her, just in case the horny little tease fancies it – nothing ventured, nothing gained, after all!

Kieran, Stoke.
